AMERICAN FRUIT EVAPORATOR!

The most practical and reliable Fruit Evaporator made. It gives unobstrue bot air currents above and sklow all fruit, thus insuring evenness of dry and no spoiled fruit. Bewage of infringements. The American is pre-et neptly the fruit-relaters' machine. Its suce grade from domainer can handling. There is no need of making anything else. Though we approve alight use of sulphur, the American is specially adapted for highest grade unbleached work. It places fresh cut fruit first in highest and dryest he cures cut surfaces at once and keeps them. dry, thereby setting and make permanent the color, and also thereby, as in broiling steaks, securing our experience in evaporating at the disposal of our customers. In some or patients of the product we present the color, and also thereby, as in broiling steaks, securing our experience in evaporating at the disposal of our customers. In some or patients of the product we present the color, and also thereby, as in broiling steaks, securing our experience in evaporators. Sold by

Ceachers.

The language describing the Chinese charach-house with the vigilant Doctor unsarthed in San Francisco presents; and the leastly trained dramatic point of introducing a couple of live akunkas as sweetnessers of the cher musils will not be lost on an appreciative public. There is even a shake of humer about the uncanny proceeding, as the angry mob is introduced, to trample on the Chinese booms that have been accidentally and the control of the control of

which, in 1873, cost the original settlers rains string roadside becomes original settlers rains string roadside becomes original settlers rains string roadside becomes original settlers and proposed their planet rains. And increased ten-iod in old a rarad character. William value; that Pasadena products won the highest premiums for collective exhibits at the fairs; that a projected narrow and postedious products would one strike a projected narrow change or silvent public conventions of the proposition of the propositio

model."
Read by the light of the still dawning future of South Californie, our modest prophecy of 1852 seems faint praise, and still more when compared with the liavish encomium of Eastern journalists in the community of the still control of the community of th
